## WORK EXPERIENCE

### IDEO

Designer // August 2017 – Present  
San Francisco, CA

Internal design work for IDEO U including re-branding, designing and developing products, creating motion graphics and animations for educational videos, designing UX for the product platform, and assisting in art direction for filming and editing.

### Freelance Graphic Designer

2013 – 2017

Independently developed creative solutions and practiced technical design skills for external clients.

### RISD Design Guild

Designer // February 2016 – June 2017  
Providence, Rhode Island

Worked independently and collaboratively with fellow members of RISD Design Guild, commissioned by RISD, Brown University, and the public to design posters, brand identities, etc.

### Imprint Projects

Part-time Internship // June 2016 – August 2016  
San Francisco, California

Created presentation decks and other event and marketing collateral for a variety of clients including Levi's® and Dolby. Worked in a small studio environment and communicated closely with the Los Angeles office and New York office.

### W/— Projects, Inc.

Full-time Internship // May 2015 – August 2015  
New York, New York

Designed websites, presentation decks and brand identities for a variety of clients including Condé Nast. Worked collaboratively in a four person team.
